

New Technical Bulletins

Now Available!

Planning for Accessory Dwellings

This bulletin provides information and guidance for municipalities about the state's new Accessory Dwelling Unit (ADU) law, which takes effect on June 1, 2017.

Coming Soon!

Master Planning in New Hampshire

A series of bulletins will be developed to assist municipalities with updating their Master Plans and understanding current planning topics and how to address them in the Plan.

The web pages for the bulletins above, which can be found through the link below, will also include links to additional resources and examples from municipalities around the state.
